**CMO, CIO & CDO WALK INTO A BAR...**

Join Contempo, KSU/COBA and Expedient as they provide a forum for networking, lunch and a discussion with three top leaders, from three diverse companies that will discuss how they are all using big data in multiple ways to enhance the customer experience and improve operations.

Contempo created the Amplify Speaker Series in 2006 to create the ideal networking scenario for Northeast Ohio business professionals. Amplify encourages local leaders to connect before and after lunch-hour educational programs that are headlined by renown speakers. Frequently discussed business topics include health and wellness, development, technology, and education.
