SAVE THE DATE! Wednesday, October 23th 8:00 a.m. - 4:30 p.m.

Contempo is proud to present the **8th annual Female Entrepreneur Summit**—where Cleveland's female entrepreneurs meet to connect, learn and grow.

More than 350 attendees will gather to share knowledge, resources and inspiring stories of success at an event tailored specifically to the unique needs of female business owners. **The all-day event offers dynamic speakers, personal testimonials, relevant educational sessions and plenty of networking opportunities.**

Connect With Your Target Market —the all-powerful growing sector of female entrepreneurs in Northeast Ohio.

"As a first time sponsor of FES we found the content relevant, with a tremendous audience attendance and participation. There were a great mix of entrepreneurs from different industries, backgrounds and stages in their careers, and that was refreshing and inspiring to hear from them. Key4Women will be back in 2019 as a "key" sponsor with an awards recognition portion and perhaps some charitable contributions as well!" — **Barbara J. Smith, Senior Vice President and Director Key4Women at KeyBank**

"I felt that this year surpassed the success of previous summits. I was extremely impressed with the speakers and panels as they gave compelling, inspiring and relevant speeches that empowered me to think differently about entrepreneurship and leadership. The day was filled with opportunities to connect with so many talented female entrepreneurs, both independently and within a moderated Intentional Networking Session. The Female Entrepreneur Summit is a worthwhile event that we fully support and highly recommend." — **Melissa Gerbick, Manager, Center for Entrepreneurship and Business Innovation, Kent State University, College of Business Administration**

Do you want to get in front of decision-makers? **FES sponsors have an exclusive "all access pass" to all programs and events** and can interact with attendees throughout the day. Sponsors receive a vendor table, signage and other branding opportunities at the event.
